# HOW IT WORKS

## VERBAL AUCTION GUIDELINES

Upon arriving, each single person or couple will receive a bidding paddle with a number on it. During the Verbal Auction, raise your paddle to bid. Raise your paddle so that the auctioneer or spotter can easily see the number. Do not raise or waive your paddle in the air unless you are bidding. The auctioneer could easily mistake such a movement as a valid bid. Your bidding paddle and number identify who you are. Please do not lose your paddle. St. Joseph the Worker School is not responsible for lost paddles or fraudulent bidding. You are responsible for all bids corresponding to your paddle number. Decisions of the auctioneer are final. Please settle your account at the checkout PRIOR to claiming your item(s). You will be given a receipt marked "PAID" to present when claiming your merchandise.

## TERMS AND CONDITIONS

A bid is a binding contract. Items are non-transferable. Under NO circumstances may an auction item be exchanged or returned to the store or individual. The purchaser must remove all items at the end of the evening. All certificates and services must be used in accordance with specified restrictions and by the expiration date on the certificate. Certificates may decrease in value after one year. All sales are final. Payment must be made in full. Payments may be made by cash, check, VISA, or Mastercard. Items must be PAID IN FULL prior to being claimed and removed from the hall.

## SILENT AUCTION GUIDELINES

All items are marked with numbers and have a corresponding bid sheet with a matching number. Please do not remove a bid sheet from the table. Bid by writing your paddle number on the bid sheet. Bids must not be lower than the minimum stated bid. You may bid as many times as you like. New bids must increase by the minimum stated bid. The Silent Auction will close at 8:00 p.m. The exact time will be determined by the clock in the silent auction area. We will countdown the last 10 seconds. When we reach "zero," sheets will be pulled over the tables. The Silent Auction is then closed. All bidders must leave the area. Please be patient; it takes some time to pull all of the bid tickets and enter bids for checkout. Once the bid tickets are sorted, the Silent Auction will re-open and bidders may pay for and receive their purchases. Items may not be removed or claimed without a paid receipt presented. To identify your winnings, give your paddle number to the volunteer at the checkout table, located on the stage. You may pay by cash, check, or credit card. You may then take your receipt to the silent auction area to claim your items.

## IRS INFO

The Internal Revenue Service has directed charitable organizations to disclose to contributors certain approximate costs of fundraising events to assist taxpayers in taking proper federal income tax deductions. In the spirit thereof, you should know that 50% of your admission ticket to the auction might be deductible as a charitable contribution on your Federal tax return. Also, the excess of the price you successfully bid for an item over its donated or retail value is also deductible. Please consult your tax advisor for further information.
